

Tensabarrier® 885 Outdoor

Part of the world's first and largest range of retractable belt barrier systems

The 885 Outdoor Original is constructed of UPVC to withstand nature's elements. Mounted on a rugged grey base which can be filled with water (antifreeze recommended for cold climates) or sand for stability. With a shipping weight of only 4lbs and an easy to detach post, the 885 is easy to transport and store.
