

Tensabarrier[®] 8G1 Gallery

Part of the world's first and largest range of retractable belt barriers

The Gallery post keeps crowds at a safe distance from exhibits without blocking their view. The Gallery is ideal for museums, galleries, auto show rooms and retail or trade show displays. Made from steel or brass and available in a wide range of finishes including brass, chrome, stainless steel or any color of powder coat the Gallery post also offers the option of five base types including fixed and removable floor sockets. Belts are available in 36 colors all of which can be custom printed with any logo or message. The options list for the Gallery post allows you to custom build a post to suit any décor.
