Tensabarrier® RB1 RollabARRIER®

Part of the worlds first and largest range of retractable belt barriers.

RollabARRIER features a patented wheeled base that allows quick easy movement of posts. Three to four posts can be nested and wheeled together. The nesting feature means RollabARRIER requires 50% less storage space than a standard post. RollabARRIER is ideal for applications where the post must be moved frequently. The options list for the RollabARRIER post allows you to custom build a post to suit any décor.
